

## JOHN LUKER

I have been an **RTBU** member since 2013 when I started working for Yarra Trams.

I have worked in production roles as an admin assistant and relief team manager. In all these roles I have always put the **drivers first**. Currently, I am an active general committee member of the depot Amenities, Garden Club and one of the founding members of Malvern Retired Drivers Group.

As members of the union, we need to strive together to **be united and help one another**. My focus is on keeping us happy, safe and in line with the current EBA. We should all look forward to coming to work daily and know that we have someone who has our back. **Heivaha Ayeni and I are the TEAM that will have your back!**

I am running for RTBU Delegate-Malvern and **ask for your support in making a conscious vote** in the upcoming elections on 16 & 17 November 2022.

I want to encourage you to follow this great quote *"Be the change you want to see in this world"*.

## HEIVAHA AYENI

I have been an **RTBU** member since 1994. I began working for PTC (The Met).

I had worked as a contract conductor for 6 months and a conductor/driver for a year.

I'm now a full time driver and the **Secretary of the depot Amenities** and one of the founding members of the **Malvern Retired Driver's Group**. Read more at [mlvtramdrv.org/retired](http://mlvtramdrv.org/retired)

For many years, I have enjoyed participating actively in union activities. I along with a few other women members formed the first women's club in the Public Transport Industry that was known as **"The Women's Circle"**.

**I firmly believe that we need to help each other and "not leave anyone behind."**

**I strongly support John Luker and urge you to make a conscious vote for him as RTBU Delegate-Malvern on 16 & 17 November 2022.**

## VOTE FOR CHANGE
